

AUTHOR GUIDELINES

Editorial Policy:

International Journal of Advances in Interdisciplinary Research is an international journal devoted to the publication of fundamental and applied investigations on all aspects of interdisciplinary research. It is published as quarterly journal by Sai Yaashitha Research Publications. Manuscripts submitted to the journal must represent reports of original research and must be written in English. Manuscripts are accepted for review provided that no substantial portion of the study has been published or is under consideration for publication elsewhere and that its submission for publication has been approved by all of the authors. The prerequisites for publication will be originality, novelty, clarity, and significance of the research. The original Research Articles and Reviews be published. Symposia/Conference/Seminar abstracts may be published, as determined by the Editor-in-Chief; such manuscripts are subject to the review process, and same charges applicable as to other articles.

International Journal of Advances in Interdisciplinary Research provides a forum for the rapid dissemination of significant impact research in various disciplines. The journal publishes review papers, original research papers, short communications and letters to the editors. All types of the manuscript should be prepared in English and submitted as "MS Word". The manuscripts should be typed double spaced with 1cm margin on all sides of the A4 paper. The font size of Title should be of 14pt and the main script should be of 12pt. Scientific names of all plant and microorganisms must be in Italic fonts. The following sections should be followed for Original Articles: **Title page, Abstract, Key words, Text, Acknowledgement (if any), Conflict of Interest (if any) and References.**

Title Page: Title page should include paper title, author(s) full name and affiliation, corresponding author(s) names complete affiliation/address, along with phone, fax and email.

Title: The title of the article should not be more than 120 characters. Authors should take care that the title to be brief and precise.

Abstract: The abstract should not exceed 250 words and should be summarizing the essential features of the article.

Keywords: Provide 6 to 8 keywords in alphabetical order.

Text Organization

The main text should begin on a separate page and should be divided into title page, abstract and the main text. The Text portion for Original articles manuscripts should contain the following sections: Introduction, Methodology, Results, Discussion (or Results and Discussion), Conclusions, References, Figures (if any), Tables (if any) and Graphs (if any). which should be followed by the Conflict of Interest, Acknowledgements and Reference section. The manuscript style must be uniform throughout the text and 12 pt Times New Roman fonts should be used. The full term for an abbreviation should precede its first appearance in the text unless it is a standard unit of measurement. The reference numbers should be given in square brackets in the text. Italics should be used for Scientific name of organisms (Genus and Species), for emphasis and for unfamiliar words or phrases. Non-assimilated words from Latin or other languages should also be italicized e.g. per se, et al. etc.

All kinds of measurements should be reported only in International System of Units (SI).

Acknowledgement

In this section anyone (individual/company/institution) who has substantially contributed to the study for important intellectual content, or who was involved in

the article's drafting or revising must also be acknowledged. The authors can acknowledge the help of individuals, Funding agencies and significant contributors of their research by the authors. This should not be more than 50 words.

Conflict of Interest

Financial contributions to the work being reported must be clearly acknowledged, as should any potential conflict of interest under the heading 'Conflict of Interest'. The Authors can express their conflicts (if any). Or the authors should give it as "The Authors have no Conflict of interest".

References

References must be listed in the Vancouver Style. All references should be numbered sequentially in square brackets [] in the text and listed in the same order in the reference section. Examples Paper Reference:

[1] Syers JK, Williams JDH, Walker TW (1968) Determination of total phosphorus in soils and parent materials. N.Z. J. agric. Res., 11, 757-762

Book Reference:

[2] Anarson S (1970) Experimental Microbial Ecology. Academic Press, New York., pp.201.

Tables and Figures

Tables, Graphs and figures should be given at the end of the manuscript under separate headings. Each table should be titled, typed on separate sheets in consecutive order using Arabic numerals. Indicate SI units of measure in parentheses. The Figures must be clear and sharp. Digital files are recommended for highest quality reproduction and should follow the following guidelines

- 300dpi or higher sized to fit journal page
- JPEG and TIFF formats are preferred

- Source (if any)

Submission of Manuscripts

Authors must submit a manuscript to the Editor-in-Chief through the Journal website (<http://www.ijaidr.co.in/Submissions>). All text, including tables and figures should be submitted in word processing documents, preferably in Microsoft Word file (.doc/.docx). However, the Figures in JPEG format will be requested from the authors after successful acceptance of the article for publications.

Submission Check List

Author must submit the manuscript with a cover letter from corresponding author consisting the significance of the findings. Also, authors recommending two potential individuals as reviewer to review their submitted manuscript. Manuscripts are accepted for review with the understanding that no substantial portion of the study has been published or under consideration for publication elsewhere and that its submission for publication has been approved by all of the authors. The decision of the reviewers will be notified to the corresponding author in 3 to 4 weeks. Corresponding author receiving editorial recommendations or comment for revision of a manuscript should complete the revision and return the manuscript within 20 days to the editor otherwise it may be considered as withdrawn.

Kindly use the following checklist before submitting your manuscripts to IJAIDR.

1. Cover letter (outline the significance of research) from corresponding author.
2. Title page (Title, Author names and affiliations and corresponding author name and e-mail address)
3. Abstracts (Limited to <300 words in one paragraph).
4. Keywords (Up to 5-6 keywords).

5. Manuscript (Organization of text: Introduction, Materials and Methods, Results, Discussion / Result and Discussion, conclusion, Acknowledgments, conflict of interest (if any))
6. References (As per journal format, (see author guidelines)).
7. Tables (Should be numbered consecutively in order of appearance in the text, Labeled with table number, table titles and legends (if any)).
8. Figures (Should be numbered consecutively in order of appearance in the text, labeled with figure number, title and legends (if any)).
9. Names of the TWO suggested reviewers (Name, Affiliation, Email and contact number).

Correcting Proofs

The Galley proofs would be sent to the corresponding authors for correction. Only typesetting errors may be corrected; changes in, or additions to, the accepted manuscript will be not be allowed. The corresponding author is responsible to return the galley proof without delay (if any). The authors are responsible for the contents appeared in their published manuscripts.

Review Process

The submitted manuscripts are peer reviewed by panel of experts and a double blind review process. The author's information's are not disclosed to the reviewer's and the reviewer's details are not disclosed to Authors. The acceptance of the manuscripts for the publication will be based on Originality of the research, significance and technical methodology. The decision of the editor will be final on the decision for the acceptance of the manuscript for publication. The accepted manuscripts for the publication will be formatted into journals format and the sent to the author for their final editing before publishing online. In the Galley proofs only typesetting errors may be corrected; changes in, or additions to, the accepted manuscript will be not be

allowed. The corresponding author is responsible to return the galley proof without delay. The authors are responsible for the contents appeared in their published manuscripts.

Article Processing Charges

International Journal of Advances in Interdisciplinary Research is an open access Journal publishing scholarly journals that provides immediate, worldwide access to the full-text of all published articles. Open access allows all interested readers to view, download, print, and redistribute any article without a subscription, enabling far greater distribution of an author's work. Most of the authors from various fields realize that benefit of open access publishing provides the increase in citation of their articles which greatly increases the impact of their work.

The publication costs of an article are paid from an author's research budget, or by their supporting institution, in the form of Article Processing Charges. These Article Processing Charges allow publishers to make the full-text of every published article freely available to all interested readers. In addition, authors who publish in our open access journals retain the copyright of their work, which enables the unrestricted use, distribution, and reproduction of an article in any medium, provided that the original work is properly cited.

Publishing an article in International Journal of Advances in Interdisciplinary Research requires Article Processing Charges of **Rs. 3000/- (INR) or \$100 US dollar** that will be billed to the submitting author upon acceptance of the article for publication . Anyhow the Individual waiver requests upto to 50% can be considered on a case-by-case basis and may be granted. To apply for a waiver please request during Article submission . A decision on the waiver will normally be made within one working day and the Manuscript ID can be informed within TWO working days.

Copyright

The authors are requested to submit covering letter during the submission of manuscripts. All the authors of the manuscript are required to sign CTA (Copy Right Transfer Agreement) Form and send it back to the publisher up on acceptance of their manuscript for publication. The scanned copy of CTA forms can be sent as an attachment file to the editor.ijaidr@gmail.com

Kindly download the templates for Manuscript preparation, Copy right Transfer agreement form and covering letter at ljaidr.co.in/authors
