Times new roman, Bold and 12 size font. Double space line

1 **Here is the manuscript template for submission to be considered for possible**
2 **publication in the international journal of advances in interdisciplinary research after**
3 **peer review process**

Times new roman, double spaced and 12 size font.

4
5 **Abstract**
6 International Journal of Advances in Interdisciplinary Research provides a forum for the
7 rapid dissemination of significant impact research in various disciplines . The journal
8 publishes review papers, original research papers, short communications and letters to the
9 editors. All types of the manuscript should be prepared in English and submitted as "MS
10 Word". The manuscripts should be typed double spaced with 1cm margin on all sides of the
11 A4 paper. The font size of Title should be of 14pt and the main script should be of 12pt.
12 Scientific names of all plant and microorganisms must be in Italic fonts. The following
13 sections should be followed for Original Articles: Title page, Abstract, Key words, Text,
14 Acknowledgement (if any), Conflict of Interest (if any) and References

15
16 **Key words:** *IJAIDR, Journal, Author guidelines, references, tables, figures*

1 **Introduction**

2 The main text should begin on a separate page and should be divided into title page,
3 abstract and the main text. The Text portion for Original articles manuscripts should contain
4 the following sections: Introduction, Methodology, Results, Discussion (or Results and
5 Discussion), Conclusions, References, Figures (if any), Tables (if any) and Graphs (if any).
6 which should be followed by the Conflict of Interest [1,2]. Acknowledgements and Reference
7 section. The manuscript style must be uniform throughout the text and 12 pt Times New
8 Roman fonts should be used. The full term for an abbreviation should precede its first
9 appearance in the text unless it is a standard unit of measurement [3]. The reference numbers
10 should be given in square brackets in the text. Italics should be used for Scientific name of
11 organisms (Genus and Species), for emphasis and for unfamiliar words or phrases [4-8]. Non-
12 assimilated words from Latin or other languages should also be italicized e.g. *per se*, *et al.* etc.

13

Entire manuscript should be Times new roman, double spaced and 12 size font References in text should be in [].

1 **Materials and Methods**

2 **Sub heading1**

3 The main text should begin on a separate page and should be divided into title page, abstract
4 and the main text [4]. The Text portion for Original articles manuscripts should contain the
5 following sections: Introduction [9], Methodology, Results, Discussion (or Results and
6 Discussion), Conclusions, References, Figures (if any), Tables (if any) and Graphs (if any).
7 which should be followed by the Conflict of Interest.

8 **Sub heading 2**

9 The main text should begin on a separate page and should be divided into title page, abstract
10 and the main text. The Text portion for Original articles manuscripts should contain the
11 following sections: Introduction, Methodology, Results, Discussion (or Results and
12 Discussion), Conclusions, References, Figures (if any), Tables (if any) and Graphs (if any).
13 which should be followed by the Conflict of Interest.

14

15 **RESULT AND DISCUSSION**

16 The main text should begin on a separate page and should be divided into title page,
17 abstract and the main text. The Text portion for Original articles manuscripts should contain
18 the following sections: Introduction, Methodology, Results, Discussion (or Results and
19 Discussion), Conclusions, References, Figures (if any), Tables (if any) and Graphs (if any).
20 which should be followed by the Conflict of Interest [1, 13].

21 **Sub heading**

22 The main text should begin on a separate page and should be divided into title page,
23 abstract and the main text. The Text portion for Original articles manuscripts should contain

1 the following sections: Introduction, Methodology, Results, Discussion (or Results and
2 Discussion), Conclusions, References, Figures (if any), Tables (if any) and Graphs (if any).
3 which should be followed by the Conflict of Interest.

4 **Conclusion**

5 The main text should begin on a separate page and should be divided into title page,
6 abstract and the main text. The Text portion for Original articles manuscripts should contain
7 the following sections: Introduction, Methodology, Results, Discussion (or Results and
8 Discussion), Conclusions, References, Figures (if any), Tables (if any) and Graphs (if any).
9 which should be followed by the Conflict of Interest.
